Hambleton Village Hall. Run by volunteers from the village.

We aim to provide a warm space and friendly atmosphere in which **anyone** can spend a couple of hours. Join us for cake and a crossword, or just pop in to borrow a book or jigsaw. In addition, many of our volunteers have lived experience of dementia, so can offer some understanding to those with, and carers of those with, the diagnosis.

PARISH COUNCIL NEWS

These pages will give you an update on what the Parish Council have been dealing with and any issues that have been brought to our attention. Parish Council Meetings are held every second Thursday of the month, check the Notice Board for the most recent Minutes. The next meeting Agenda will be posted 3 days in advance of the meeting on the Notice Board.

PLANNING UPDATE

With the recommendation that the New Selby Local Plan is scrapped, the planning department have clearly had the bigger picture on their minds when it comes to planning recently; there are no updates on the proposed Hambleton housing developments, including the Manor Farm Appeal at this time (24/1/2025).

The New National Planning Policy Framework is what is being blamed for the halt - changes to the NPPF have meant that the New Plan as it stands would need a significant amount of work to make it meet the criteria and it would also take a very long time to overcome the challenges the new NPPF poses.

Scrapping the New Selby Plan would mean we revert back to the existing plan, but this existing plan also falls short for the NPPF requirements. Either way, Selby does not have the 5 year land supply for housing that the New NPPF stipulates, this is not good news for small villages trying to stop developers bulldozing their way through for profits.

Each application must still follow the same planning application process however, and you must still voice your opinions in the consultation stage.

Visit the Selby Planning Portal: public.selby.gov.uk/online-applications/ and search Hambleton for the current applications.

If work on the New Selby Plan is scrapped, resources will be pooled to further the develop the North Yorkshire Plan, of which Selby will be a part. IT IS IMPORTANT YOU ENGAGE IN THE CONSULTATIONS FOR THIS TOO. There is currently a "Call for Sites" where landowners can submit land for consideration for development as part of the NY Plan, as residential or economic, the NY Plan team will consider each site and decide if it is suitable for inclusion in the plan. The public will then be consulted on the sites NY are proposing to include.

VEHICLE ACTIVATED SIGNS

As part of the agreement to have 'temporary' VAS, the PC must move/change direction/turn off the signs - this is to

reduce the chance of motorists becoming blind to the signs. The sign at Richardson Court is off (not broken), the sign at the Red Lion is facing the westbound carriageway, the sign at the Willows is now on.

In December 76,156 vehicles registered on the Richardson Court location. Approximately 40% of these vehicles were travelling under 30mph and another 42% were travelling between 30 and 35mph. 12% were travelling between 35-40mph. 4% between 40-45mph. 1% between 45-50mph. 0.3% between 50-55mph. 0.1% between 55-60mph. 0.05% over 60mph, mostly between 11pm and 5am.

Keir Mather MP has reached out to the PC to ask about Road Safety and the use of fixed cameras. Road Safety is a great concern for our village, and the PC will welcome discussions with the relevant authorities to help make our roads safer.

COUNCIL TAX

You will notice on your next Council Tax bill there has been a 2% increase on what you paid last year for the Parish element; as a guide, this results in an 86p rise for the year for a band D property.

TREE AND GARDEN WORK

PLEASE, it is so important that you employ only LICENCED waste carriers if you are having hedges cut. See below for the mess left on Whinny Hagg Lane by unlicensed chancers. Do not fall for the 'we're in the area already so we'll do you a good price' line!! There have been multiple bin lorries here for 5 consecutive days clearing up.

Calling all of Hambleton's

Musicians and Singers - all abilities!

I'm a piano/keyboard player who moved in to the village last year.

I'm looking to put a musical rock/pop band "jam" session together in the village with others from Hambleton or local villages who play instruments or like to sing. I'd love all abilities to come along, whether you're beginning to learn an instrument or a more accomplished player/singer. It'll all be very relaxed and all about having fun, enjoying a few beers/glasses of wine and just the fun of playing some music.

The idea would be for someone to shout out the name of a song that they know, and those that want to can play or sing along. Or maybe to bash through some 12 bar blues and go with it and just jam!

It'd be fun to have a go at anything from 1960's rock n' roll to modern day stuff. Or rock, disco, karaoke

faves, jazz, blues, country, classic TV Theme Tunes (always fun!) and everything in between - however the mood takes us, and whatever we enjoy playing.

There's a rehearsal room at my house in the village we can use equipped with various acoustic and digital pianos/keyboards and microphones, but please bring along any other instruments/amps/drums you may need - and a few drinks/nibbles of course.

Maybe in time we could try to get a band together to do a few local gigs/parties.

Please email me in the first instance so we can get an idea of numbers and what interest there is.

NEWS FROM CHAPEL

News from Chapel

Happy New Year to you all from everyone at Chapel. We hope you all had a wonderful Christmas and are now ready for the new year to come.

I understand the Tea and Toast Christmas party was such a huge success it actually had to be held over two sessions as so many children and their adults wanted to come. We had to give Santa several dozen mince pies to keep up his stamina. He did manage to have a word with all the children so hopefully no one was disappointed.

Our Carol Service was very well attended and not only did our minister Christine take the service she also played the piano which was a real treat. We were delighted to welcome all the children and adults in Sunday Club to come in and join us for the last couple of carols. The mince pies afterwards went down very well.

We decided to not have a service between Christmas and New Year then we were forced to cancel Chapel on 5th January because of the awful weather. Chapel is not the warmest of places so during a snow storm it's definitely not the best place to be.

Everything is back to normal now. We have a couple of services a month in Hambleton and a couple at Burn and Brayton Chapels. We continue to pray for everyone in the village and the wider world. Services are at 10.30am on a Sunday morning.

Sun 2nd Feb	Local Arrangement Service 10.30am
Sun 9th Feb	Service at Brayton 10.30am
Sun 16th Feb	Service at Burn 10.30am
Sun 23rd Feb	Mr N Currey

Come and join us one Sunday morning, you would be made very welcome.

*Very best wishes,
Everyone at Hambleton Methodist Chapel*

The Lonesome Stag

Upon my stroll at Almscliffe Crag, I came to meet a lonesome stag
Good day to you fine sir, said he, may I join you on your walk?
Alarmed at first and quite in shock, onwards we marched to Almscliffe Rock
for a walk alone is kinder with two, and the time just seems to go

We talked and talked, we laughed, and we cried
We put the world to rights discussing the wars and all their flaws the
outcomes and the finer points
Nine miles had passed full circle at last His company I had most enjoyed.
Now the journey ends, farewell my friend, with that the stag was gone.

If ever you visit the fields of green surrounding Almscliffe Crag,
be sure to say hello from me to my friend the lonesome stag.

*"I have thee not and yet- I see thee still" -
Macbeth.*

Bring me the dreams.

Tired bodies to give us warmth
Shall rise again to view
The leaves and birds and flowers
From a boy I never knew.
Among the scenes the smells the sights
Which try to force me on
Offering me strength and courage
Yes I knew him! No I'm wrong---
I knew him not, for many years
So close always were we
That brave young lad—they took him
Did he belong to you or me?
Have I the right to criticise
Did the thunder strike the blow?
Towering peaks and purest views
Was a lad I will never know.
And yet, bring me the dreams
We all have our doubts, that's fine!
But a new ghost is now amongst us
And I know this ghost is mine---

A DATE FOR YOUR DIARY: 12th April, 2025 in Hambleton Village Hall at 1400

This is the **AGM**, but the business is kept to a minimum and will be followed by a presentation of new information, hopefully given by Dr. Jon Kenny, what next, displays to enjoy and as always refreshments.

** If you see a couple of people going round the village taking photographs of stone houses, walls or foundations please don't be concerned. We want to produce a record of all stone building in the village which may help us date them and to produce a plan.*

The updating of the website is slow as we are now having to do more research into the people or dates of the many photographs we have scanned. The website address is:

www.hhrraa.org

We are also looking at ways to raise funds to progress the research, one idea is to produce a tea towel with pencil drawn old village buildings from our collection of photographs (with the owners' permission). Any other fund raising suggestions welcome!

The meeting is open to everyone (under 16s must be accompanied by an adult) and there is no entry fee.

ST. MARY'S CHURCH

SAINT MARY'S CHURCH

A message from the Vicar:

And so, we start a new year. Happy New Year to you all! Here we are in 2025 – how are your New Year resolutions going? My New Year's resolution every year is not to make any. I'm afraid I am of that rather cynical breed that thinks most people only make resolutions to break them, and anyway we can make resolutions any time of year!

What New Year does give us the opportunity to do, is to reflect back and to think forward. In fact, 'January' is named after the Greek god 'Janus' – with 2 heads. One facing forwards, one facing backwards. We learn from the past and look to the future. In fact, this is at the heart of all the major world religions – to ponder on the past in the light of our belief system, and commit ourselves, or make a resolution to be more faithful going forward. So, whatever resolutions you have made, whether for religious, health or well-being reasons, I wish you well.

As the Church, we now look towards the next church season which will be Lent. Another period for reflection and if the New Year resolutions haven't succeeded, we can try again! But whereas NY resolutions have a more personal basis, I think Lent offers us the opportunity to think about community, and how we live and relate to each other. Perhaps as individuals we can reflect on our impact on the world around us? What it means to be 'community' and how we can support community better? Can we make small changes in our lifestyles which would benefit others? Some thoughts to you to ponder.

Lent includes Mothering Sunday (aka 'Mothers Day') on 30th March – an opportunity to give thanks for those who love and care for us. It's not a regular service day for us but please keep an eye on our Noticeboard as we are likely to hold a special service that day and there certainly will be services at other churches in the area.

Finally, please see below for our regular events and be assured you will always receive a very warm welcome at St Mary's church.
